(SUPERVISORIAL DISTRICTS 1, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to proceed with the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and the levying of assessments on benefited properties within these territories for the installation, operation, and maintenance of street lighting facilities within the annexed territories.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Approve the Engineer's Reports for Petition Nos. 59-1010, 28-611, and 6-311 either as filed or as modified, for the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and levying of assessments within the annexed territories for street lighting purposes. The proposed annexation areas are located in the unincorporated communities of Charter Oak, Los Nietos, and Gorman.

3. Adopt the Resolution of Intention to Annex Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and Order the Levying of Assessments Within the Annexed Territories for Fiscal Year 2014-15.

4. Set a date for a public hearing regarding the proposed annexations and levying of annual assessments within the annexed territories for street lighting purposes with a base assessment rate for a single-family residence of \$5 for the Unincorporated Zone of County Lighting District Landscaping and Lighting Act-1.

5. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of Tuesday, _____, pursuant to section 53753 of the California Government Code. The mailed notice will include assessment ballots.

6. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territories to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to the California Streets and Highways Code section 5838.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the proposed annexation territories.

2. Order changes, if needed, in any of the matters provided in the Engineer's Reports, including changes in the improvements, the proposed diagrams, or the proposed assessments.

3. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessment.

4. Determine whether a majority protest against the proposed annexations or assessments exists.

5. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those petition territories where there has been a majority protest to the assessments and refer the matter back to the Department of Public Works.

6. If there is no majority protest against the proposed assessments, adopt the Resolution Ordering Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2014-15, either as proposed or as modified by the Board. The Adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2014-15.

7. Adopt the joint resolutions between the Board and other taxing agencies Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of these territories to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to: (1) find that the project is categorically exempt from the California Environmental Quality Act (CEQA) Guidelines; (2) annex the territories known as Petition Nos. 59-1010 (Galatea Street), 28-611 (Dunlap Crossing Road), and 6-311 (Gorman School Road) to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA 1), Unincorporated Zone; (3) levy assessments for Fiscal Year 2014-15 on the benefited properties within the annexed territories for street lighting purposes; and (4) approve the exchange of property tax revenues among those nonexempt agencies whose service areas are subject to the jurisdictional change.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1). The annexation of territory to the County Lighting Maintenance and Assessment Districts will provide street lighting services and delivery of a customer-oriented public service. This action is consistent with Fiscal Sustainability (Goal 2). The annual levy of assessments and property tax transfer will provide funding necessary for the operation and maintenance of street lighting facilities within each annexed territory. In addition, this action is consistent with Integrated Services Delivery (Goal 3). Street lighting services will provide convenience and safety for the motoring public as well as the safety and security of people and property.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2013-14 budget for CLMD 1687 and CLD LLA-1, Unincorporated Zone, to fund the costs for operation and maintenance of the street lights within these petition areas, should the annual operation and maintenance charges estimated to be \$3,452 be incurred prior to the end of Fiscal Year 2013-14. Funds to finance future operational costs will be made available through the Public Works' annual budget process.

In subsequent years, the ongoing operation and maintenance costs of the street lights within the annexed territories will be funded by the CLMD's share of ad valorem property taxes, supplemented by assessments annually approved by the Board from property owners within these annexed territories. The proposed annexations will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund; the County of Los Angeles Public Library; the County of Los Angeles Special Road Maintenance Districts 1, 4, and 5; the Consolidated Fire Protection District of Los Angeles County; and the Los Angeles County Flood Control District to CLMD 1687.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board previously approved and filed Petition Nos. 59-1010, 28-611, and 6-311; adopted a resolution initiating proceedings for the annexation of territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone; and ordered the Director of Public Works or her designee to prepare and file an Engineer's Report for each petitioned territory. The enclosed Engineer's Reports were prepared in response to that directive.

Under California Government Code section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by the Board, including the distribution, receipt, and tabulation of ballots at a public hearing. Ballots will be mailed to each property owner within the annexation territories. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed resolution of intention must be adopted to set a date for the required public hearing. The Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexations and/or assessments.

The approval of the enclosed Resolution Ordering Annexation, the levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

The California Revenue and Taxation Code section 99.01 (a)(4) provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues have been approved by nonexempt taxing agencies and are enclosed for your consideration.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the Assessor in accordance with the requirements of California Government Code section 58850 et seq. and are on file with Public Works. A copy of the diagram showing the boundaries of each proposed annexation area is attached to the Engineer's Report prepared for each petitioned area.

Following the Board's approval of the resolutions for the annexations, levying of assessments, and exchange of property tax revenues, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code section 54900 et seq.

The resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed action is categorically exempt from the provisions of CEQA. The project to annex territories to CLDs for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301(c) of CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically includes annexations to street lighting districts and installation of street lights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to the CLDs will result in street lighting for these areas and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and a copy of the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the Assessor, Ownership Services Section (Attention Angela Gadsden), and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,

**COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
PETITION NO. 59-1010
(GALATEA STREET)**

On May 1, 2012, Item 42, the County of Los Angeles Board of Supervisors (Board of Supervisors) adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining 15 street lights on new and existing wood poles within the territory proposed for annexation, as shown on the diagram, plan, and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with section 22565 et seq. of California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

There will be no cost for the installation of the 15 street lights on existing and new wood poles. The annual operating cost of \$2,122 for the fifteen 9,500 lumen high-pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year (FY) 2013-14 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the FY 2014-15 tax bill of property owners whose parcels lie within the boundary of Petition No. 59-1010. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the Board of Supervisors will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLMD 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The People's Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of the street lighting in the District. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (section 22585 et seq.) to provide supplemental funding.

Engineer's Report
Petition No. 59-1010

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The FY 2013-14 Annual Engineer's Report, which lists the base rate assessment for all zones within CLD LLA-1 and the total assessment amount to be collected from benefited parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real property affected are shown in Appendix A included herein. The parcels are more particularly described in a map prepared in accordance with section 327 of the California Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install the street lights in the designated territory, as requested by the signers of Petition No. 59-1010, and to provide for their operation and maintenance.

On May 1, 2012, Item 42, the County of Los Angeles Board of Supervisors (Board of Supervisors) adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining 6 street lights on new and existing wood poles within the territory proposed for annexation, as shown on the diagram, plan, and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with section 22565 et seq. of California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

There will be no cost for the installation of the six street lights on existing and new wood poles. The annual operating cost of \$849 for the six 9,500 lumen high-pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year (FY) 2013-14 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the FY 2014-15 tax bill of property owners whose parcels lie within the boundary of Petition No. 28-611. FISCAL YEAR 2014-15**

WHEREAS, the County of Los Angeles Board of Supervisors (Board of Supervisors) previously approved and filed Petition Nos. 59-1010, 28-611, and 6-311, requesting annexation of territories to County Lighting Maintenance District 1687, and County Lighting District Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone, to provide for the installation, operation, and maintenance of street lights within the annexed territories, and assessments for the costs thereof; and

WHEREAS, the Board of Supervisors on April 8, 2014, has approved the Engineer's Reports for said territories, which contains descriptions of the improvements, estimated installation and operating costs, diagrams of the territories to be annexed, and recommended assessments as required by law.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require and it is the intention of the Board of Supervisors to order the benefited territories hereinafter described, all of which territory lies in the County of Los Angeles, be annexed to County Lighting Maintenance District 1687 pursuant to California Streets and Highways Code section 5837.

SECTION 2. The public interest and convenience require and it is the intention of the Board of Supervisors to order the benefited territories be annexed to County Lighting District LLA-1, Unincorporated Zone, pursuant to California Streets and Highways Code section 22605

SECTION 3. The public interest and convenience require and it is the intention of the Board of Supervisors to order the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of street lighting systems proposed within the annexed territories shall be assessed in Fiscal Year 2014-15 upon each lot or parcel of land lying within the annexed territories in proportion to the estimated benefit received from the proposed street lighting improvements and which should be assessed to pay the expenses of the operation and maintenance of said improvements. An annual Engineer's Report, approved by the Board each fiscal year, establishes the annual base rate assessment for all zones within County Lighting District LLA-1. For Fiscal Year 2013-14, the annual base rate assessment for the

Unincorporated Zone is \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. This annual assessment for the operation and maintenance of street lights is proposed to be added to the property tax bill of benefited parcels within the boundaries of County Lighting District LLA-1, Unincorporated Zone, in Fiscal Year 2014-15. Each year thereafter, an assessment for operation and maintenance costs approved by the Board will be added to the property tax bill.

The Engineer's Report prepared for each petitioned territory contains a full and detailed description of the proposed improvements, a description of the lots or parcels of land to be annexed, the estimated costs of operation and maintenance, a diagram of the territory to be annexed, and the recommended assessment on each lot or parcel of land included therein.

SECTION 4. The boundaries of the territories proposed for annexation consists of the areas shown on the attached maps.

SECTION 5. The proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the areas proposed for annexation at least 45 days prior to the date of the public hearing in the form and manner specified by California Government Code section 53753.
